

COMPANY PROFILE

Lexon Dynamic Consulting Limited

Indigenous consulting, procurement, Engineering Procurement & Construction support, logistics coordination, freight management, and industrial supply solutions for demanding local and international operations.

Reliable industrial consulting and project support.

Lexon Dynamic Consulting Limited is an indigenous consulting, procurement, logistics, and Engineering Procurement & Construction (EPC) company committed to delivering innovative and reliable solutions to the oil & gas, energy, marine, manufacturing, construction, and industrial sectors.

The company provides strategic sourcing, international trade support, freight coordination, customs documentation support, and project logistics services tailored to meet the operational demands of local and international clients.

With a strong understanding of global supply chains and industrial requirements, Lexon Dynamic Consulting Limited delivers end-to-end procurement and logistics solutions that support timely delivery, operational efficiency, compliance, and cost optimization.

Our Vision

To become a leading indigenous procurement, EPC, and logistics solutions provider in Africa's oil & gas and industrial sectors through innovation, integrity, and operational excellence.

Our Mission

To deliver world-class procurement, consulting, logistics, and EPC services that create value for clients through quality, reliability, safety, and timely project execution.

Procurement, EPC, and project support.

Procurement & Strategic Sourcing

Specialized procurement solutions for oil & gas, marine, manufacturing, telecommunications, construction, and industrial operations.

EPC Services

Message from the CEO

Since our inception, Lexon Dynamic has built its reputation on integrity, excellence, and an unwavering commitment to delivering value to our clients. We have consistently provided top-tier procurement, construction, installation, and maintenance services across the oil, gas, energy, and industrial sectors, earning the trust of stakeholders through professionalism, innovation, and reliability.

Our success is driven by a highly skilled workforce, strong technical capabilities, and a culture that prioritizes safety, quality, and operational excellence. Over the years, we have successfully executed complex projects in challenging environments, demonstrating our ability to meet client expectations while maintaining the highest industry standards.

At Lexon Dynamic, we understand that sustainable growth is built on strong partnerships. We work closely with our clients, partners, and communities to develop solutions that not only address immediate needs but also create long-term value. Through collaboration, continuous improvement, and responsible business practices, we remain committed to contributing positively to the industries and communities we serve.

As we look ahead, we remain focused on expanding our capabilities, embracing innovation, and strengthening our position as a trusted partner in the energy sector. Our commitment to safety, environmental stewardship, and customer satisfaction will continue to guide every aspect of our operations.

Thank you for choosing Lexon Dynamic.

Philip Odi

Managing Director

Lexon Dynamic Consulting Ltd

WHY CHOOSE US

Quality, reliability, safety, and customer-focused execution.

- Indigenous company with international reach
- Strong procurement and supply chain expertise
- Reliable global sourcing network
- Strategic OEM and technical partnerships
- Commitment to quality, safety, and timely delivery
- Experience across oil & gas, marine, construction, manufacturing, energy, and industrial sectors
- Client-focused and cost-effective solutions
- Professional customs, documentation, and logistics support

Leadership

Philip Odidi serves as a key leader in the organization, driving business development, strategic partnerships, and operational growth. His experience in EPC services, procurement, and oil & gas industry collaboration has contributed significantly to the company's development and industry positioning.

Commitment to Excellence

Lexon Dynamic Consulting Limited remains committed to professionalism, operational efficiency, cargo safety, documentation readiness, and customer satisfaction across every procurement, logistics, and project support engagement.
