

COMPANY PROFILE

Lexon Dynamic Consulting Limited

Consulting. Procurement. EPC. Logistics.

2026

ABOUT THE COMPANY

Lexon Dynamic Consulting Limited is an indigenous consulting, logistics, and Engineering Procurement & Construction (EPC) company committed to delivering innovative and reliable solutions to the oil & gas, energy, marine, manufacturing, and construction industry.

The company specializes in strategic sourcing, procurement, international trade, logistics coordination, and project support services tailored to meet the operational demands of both local and international clients. With a strong understanding of global supply chains and industrial requirements, Lexon Dynamic Consulting Limited provides end-to-end procurement and logistics solutions that ensure timely delivery, operational efficiency, and cost optimization.

Leveraging technical expertise and strategic partnerships with Original Equipment Manufacturers (OEMs), the company continues to strengthen its capacity in delivering quality products and services across Nigeria, Canada, the United States, and other international markets.

OUR VISION

To become a leading indigenous procurement, EPC, and logistics solutions provider in Africa's oil & gas and industrial sectors through innovation, integrity, and operational excellence.

OUR MISSION

To deliver world-class procurement, consulting, logistics, and EPC services that create value for clients by ensuring quality, reliability, safety, and timely project execution.

OUR CORE SERVICES

Lexon Dynamic Consulting Limited provides a range of specialized services designed to support oil & gas, energy, marine, manufacturing, and construction operations.

Procurement & Strategic Sourcing

Sourcing and supply of industrial equipment, materials, technical components, OEM products, spare parts, PPE, valves, pumps, pipes, fittings, and power equipment.

EPC Services

Engineering, Procurement & Construction support services for energy and industrial projects with commitment to quality, safety, and technical execution.

Logistics & Supply Chain

International freight forwarding, import and export management, customs documentation, warehousing, inventory support, and end-to-end supply chain solutions.

MORE CAPABILITIES

Industrial Products Supply

Oil & gas products, marine equipment, manufacturing equipment, construction materials, communication systems, industrial tools, safety systems, and technical materials.

Marine & Offshore Supply

Marine engines, spare parts, deck machinery, navigation systems, offshore tools, accessories, and marine safety equipment.

Technical Partnerships

Vendor management, OEM partnerships, technical collaborations, project support, and operational growth support for complex industrial requirements.

Philip Odidi
Managing Director

Since our inception, Lexon Dynamic has built its reputation on integrity, excellence, and an unwavering commitment to delivering value to our clients. We have consistently provided top-tier procurement, construction, installation, and maintenance services across the oil, gas, energy, and industrial sectors, earning the trust of stakeholders through professionalism, innovation, and reliability.

Our success is driven by a highly skilled workforce, strong technical capabilities, and a culture that prioritizes safety, quality, and operational excellence. Over the years, we have successfully executed complex projects in challenging environments, demonstrating our ability to meet client expectations while maintaining the highest industry standards.

At Lexon Dynamic, we understand that sustainable growth is built on strong partnerships. We work closely with our clients, partners, and communities to develop solutions that not only address immediate needs but also create long-term value.

As we look ahead, we remain focused on expanding our capabilities, embracing innovation, and strengthening our position as a trusted partner in the energy sector. Our commitment to safety, environmental stewardship, and customer satisfaction will continue to guide every aspect of our operations.

Thank you for choosing Lexon Dynamic.
